

The Archers Encyclopaedia—Index of Actors

The Archers Encyclopaedia (The Ultimate Guide to the People and Places of Ambridge) compiled by Joanna Toye and Adrian Flynn lacks an index. This makes it hard to find anything at all unless you know the surname of the character you want to look up. In response to comments by contributors to the Usenet newsgroup, uk.media.radio.archers I volunteered to undertake to create a number of indexes to make the book more usable. This is the first of those indexes.

I have indexed the hardback book ISBN 0563 537183, published by BBC Worldwide Limited, Woodlands, 80 Wood Lane, London W12 0TT

I have used the characters' familiar names, and current surnames. Refer to the book itself for maiden names.

The Archers Encyclopaedia is Copyright © BBC 2001, and I don't believe I have done anything to infringe this.
